Milk Hauler
Job Description

Jumpin' Good Goat Dairy is CDPHE and FDA inspected cheese manufacturing facility. We haul milk from two Amish dairies in the San Luis Valley. We are looking for a driver to drive our milk trailer there, pickup the milk in the San Luis Valley, haul it to our facility in Buena Vista and clean the trailer upon unloading. This trip is roughly 200 miles one way. Milk hauler is responsible for loading and unloading milk. Applicant must have a clean driving record and be able to work with limited supervision.

We are looking to fill this position by February 15th. It is seasonal (through December) and will require one to two pickups per week depending on time of season. This position is available annually.

Requirements

- Clean driving record.
- Be able to drive for long periods of time.
- Comfortable with repetitive tasks.
- Food handling and safety experience is a plus, but not necessary, we will train.
- Able to obtain a CDPHE Milk Hauling license. This can all be done here at the dairy with our state inspector.

Benefits

- Hourly pay starting at $19.00.
- Employee discount in our retail store.
- Free cheese and non-cheese product allotments once a month following completion of first month.

Jumpin' Good Goat Dairy is a locally owned and operated artisan goat cheese creamery. Jumpin' Good Goat Dairy can be found in many grocery stores and restaurants in the Rocky Mountain Region. For more information visit www.jumpingoodgoats.com. To apply complete an application at the Jumpin' Good Country Store located at 31700 US Hwy 24 N, Buena Vista CO 81211 (W-Sat, 10am to 4pm), online HERE or send a resume to hr@jumpingoodgoats.com.
